MILITANTS MUST LIVE IN FEDERATION OF YOUTH

Action Against Militarism Needed!

BY F. FRANKFIELD

NEW YORK CITY: The Federation of Youths Against War, the radical youth wing of the American Civil Liberties Union, has launched a determined national campaign against the war.

The campaign is designed to mobilize the youth of the country against the war, to protest the policies of the government, and to aid in the education of young people to the necessity of opposing militarism.

FURlIrER THE 20-HOUR WORK WEEK STAGE VICTORY PARADE

NEW YORK.—After a 17-week strike, union fibbers have won the 84-hour 40-hour week, and have returned to work. The return to work was preceded by a day of jubilation, marked by a parade of 10,000 cheering workers. With flowers, bananas, and apples, the strikers of the International Brotherhood of Teamsters, approached in solid blocks, for manufacturing success, past the joint headquarters on East 23rd street, down to Union Square, and back to the hall.

SPEECH DESCRIBES THE YOUNG WOMEN'S SUFFRAGE MOVEMENT

UNITED STATES MILITARISM IN VARIOUS CITIES

The movement for a united front of all young workers, students, and socialists is developing throughout the country. In New York City there are several local groups affiliated with various national organizations. These groups, in turn, are working with local organizations in other parts of the country. The New York City Federation of Young Workers, which comprises several of these local groups, is planning to organize a united front conference in New York City.

The conference will be held on Saturday, March 14th, at the Y.W.C.A. in New York City. The purpose of the conference is to bring together representatives of all organizations working in the field of young workers and to discuss the problems facing them. The conference will be an opportunity for all groups to learn from each other and to decide on a common course of action.

The Young Workers' Conference is open to all organizations interested in the cause of young workers. The conference will begin at 9:30 a.m. and will conclude at 5:00 p.m. Admission is free to all participants.

WINTER WAGES AT ROOSEVELT TRAINING CAMP

Winston-Salem, North Carolina: Roosevelt Training Camp, a winter training camp for unemployed young men, has been opened in Winston-Salem. The camp is sponsored by the Federal Emergency Relief Administration and is operated by the local Y.W.C.A.

The camp is designed to provide employment for young men who are out of work during the winter months. The workers are given training in various trades, such as carpentry, plumbing, and electrical work. The training is designed to prepare them for jobs in industry when the demand for labor increases.

The camp is open to all young men between the ages of 16 and 25 who are not currently employed. The camp is located at 301 Washington Avenue, Winston-Salem, North Carolina.

MAY DAY THROUGHOUT THE NATION

May Day is celebrated throughout the nation as a day of international solidarity and a day of protest against the policies of the government. May Day is also a day of action, when workers and students come together to demand their rights and to resist oppression.

On May 1st, workers and students across the country will gather in solidarity to demand their rights and to protest against the policies of the government. The day will begin with rallies and speeches, and continue with protests and demonstrations throughout the day.

May Day is a day of action and protest, and all workers and students are encouraged to participate. The day is an opportunity to come together and demand our rights, to resist oppression, and to demand a better future for all.

For more information on May Day, please contact the organizers of the May Day events in your area. You can also find more information online at MayDay.org.
**Passaic Strikers and Their Children Suffer Malnutrition**

A Passaic Striker's Family

**International Workers... Establishes Children's Camp on 140 Acre Jersey Farm**

When several hundred of strikers were examined, not one was found that was not suffering from malnutrition. When the children were examined only six out of a total of 15 were found to be normal.

**Think of It: A City in the United States where the losses are credited with a profit of $1,000,000,000 in the past twelve months.**

**ONE MILLION FIVE HUNDRED THOUSAND DOLLARS IN EIGHTEEN WEEKS**

If that was lost in eighteen weeks what are the profits during the whole of the 15 years? Presently the time during which these strikers were employed and examined in the hospital.

The losses have been so high that the strikers' children have been unable to meet the demands of the strike and have been forced to live on a diet of kola nut and bread.
